

SAJJAD SHAHID

About Me

I am a student pursuing a BS in Computer Science with a focus on Artificial Intelligence. Currently I'm working as AI Developer at DIONE SOFTWARE. I have some experience in machine learning and I'm skilled in office automation and video editing. I have created several practice projects using Java and Python, working on both the frontend and backend. I have experience in Machine Learning, Deep Learning, NLP and Computer vision. My aim is to become an AI Engineer.
