SAJJAD SHAHID

AI DEVELOPER

About Me

I am a BS Computer Science student specializing in Artificial Intelligence. I have completed an AI Developer Internship at DIONE SOFTWARE, where I gained practical experience in Machine Learning, Deep Learning, Natural Language Processing (NLP), and Computer Vision, developing multiple AI projects in these domains. I am also skilled in Flutter development, creating dynamic and responsive mobile applications. Additionally, I have experience in Python, Java, and full-stack development. My goal is to advance as a professional AI Engineer.
